

DIAS PRADANA

Informatics Engineering Graduate | Web Developer | Backend Developer | IT Support

Gresik, Jawa Timur | 0882-9013-9876 | diaspradana44@gmail.com | github.com/Diaspradana05 | linkedin.com/in/dias-pradana-25585b321

PROFILE

A Bachelor's degree graduate in Informatics Engineering with experience in web and backend development using Laravel, PHP, React JS, and Next.js. Experienced in managing MySQL and PostgreSQL databases, with skills in testing, debugging, version control (Git), and IT support. Strong problem-solving and analytical skills, with the ability to learn quickly and adapt to new technologies.

EDUCATION

Bachelor of Informatics Engineering — *Universitas Muhammadiyah Gresik* September 2022 - January 2026
GPA: 3.71 / 4.00

- Laboratory Teaching Assistant, Computer Networks — 1 semester, guiding and teaching student lab practicums.

WORK EXPERIENCE

VSM (Vice Store Manager) / PIC IT — *Alibaba Store, Gresik* February 2026 - July 2026

- Installed Microsoft Office, activated Windows, and configured laptops and printers.
- Ensured IT devices functioned properly to support store operations.
- Coordinated store operations and worked with the team to achieve sales targets.

Online Shop Process Team — *PT Behaestex, Gresik* October 2025 - January 2026

- Managed order data and shipping documents using Microsoft Office.
- Ensured order data accuracy according to SOP.
- Coordinated with the team to support smooth operational processes.

Programmer Intern — *PT Cipta Nirmala, Gresik* July 2025 - September 2025

- Developed web applications using Laravel according to system requirements.
- Managed and processed PostgreSQL databases to support applications.
- Performed testing, debugging, and application fixes (bug fixing).

PROJECTS

Hospital Risk Management System — *Laravel, PHP, PostgreSQL*

- Developed a web-based risk management system using Laravel and PostgreSQL to support risk data recording and management.

E-Commerce Frontend — *React JS, JavaScript, HTML, CSS*

- Built an e-commerce frontend with React JS covering product catalog, search, categories, sorting, product details, cart, and wishlist.

Personal Portfolio Website — *Next.js, Tailwind CSS, Framer Motion*

- Built a personal portfolio website from scratch using Next.js and Tailwind CSS, with dark/light mode, Framer Motion animations, an Indonesian-English language toggle, and a contact form integrated with the Web3Forms API.

Handwriting Regularity Detection — *MATLAB, LBP, SVM*

- Implemented a handwriting regularity detection program using Local Binary Pattern (LBP) feature extraction and Support Vector Machine (SVM) classification.

TECHNICAL SKILLS (HARD SKILLS)

Programming & Web: PHP, Laravel, React JS, Next.js, JavaScript, HTML, CSS
Database: MySQL, PostgreSQL
Version Control & Tools: Git, Microsoft Office (Word, Excel, PowerPoint)
IT Support: Windows installation & configuration, MS Office, laptops, printers
Data & Analytics: Data processing, problem solving, system analysis

SOFT SKILLS

Communication, teamwork, adaptability, fast learner, time management.

TRAINING & CERTIFICATIONS

- React JS Bootcamp — WPU Course, September 2026
- Microsoft Excel Competency Test — Excelab Learning, "Highly Competent" Predicate, August 2026
- Website Development: Backend — MySkill, August 2026
- Index Match, VLOOKUP & HLOOKUP in MS Excel — MySkill, August 2026
- Automation Webinar: UiPath x IOH — ONE Indonesia, August 2026
- Laravel: Beginner to Advanced — Udemy, July 2026
- Machine Learning Bootcamp — Rumah Coding, December 2025
- AI Engineer for Millennials — Digital Talent Scholarship (KOMDIGI), May 2025
- Introduction to Cloud Computing — Digital Talent Scholarship (KOMDIGI), April 2025
- Generative AI for Education — Digital Talent Scholarship (KOMDIGI), March 2025
